# HYDRAFACIAL AT ESPA LIFE AT CORINTHIA

This is not just a facial.

HydraFacial believes that beauty is a feeling, not a physical attribute, and the results from HydraFacial will leave you ready to face life, face first.

HydraFacial technology is unique, and so are the results it achieves. The treatment is suitable for all skin types, ages and concerns and delivers instant results that you can see and feel, improving your skin health over time. An invigorating experience that delivers long-term skin health to the face, body and scalp, HydraFacial removes dead skin cells and extracts impurities, while simultaneously bathing the new skin with cleansing, hydrating and moisturizing serums. The treatment is soothing, refreshing, non-irritating and helps to achieve the best skin of your life.

Adored and advocated by celebrities and millions of consumers worldwide, one HydraFacial takes place approximately every 15 seconds globally. Experience the magic for yourself.

At ESPA Life at Corinthia we tailor every stage of HydraFacial specifically to your skin needs. Our advanced therapists deliver HydraFacial's world-famous 3 step protocol within every service, combining a range of modalities and personalisation options from tips to serums and peel strength.
